PRESIDENT'S GARAGE

**By Tim Thacker
RTR President**

To my fellow RTR members, greetings and salutations!

My name is Tim Thacker and I am your newly elected RTR President. Many of you will recognize me as the organizer of the RTR "Poker Run". I have been a member of the club for the past 7+ years and currently own two Triumphs. And if all goes as planned, one of them should actually be running by summertime.

My love for Triumphs goes all the way back to when I was 18 and purchased my 1st Triumph. Saved my money and bought a little red Spitfire! Brought it home and my father took one look at it and said "What is this piece of crap" and immediately made me sell it. When I reached adulthood I purchased a TR6, restored it and on it's maiden voyage, all the wiring went up in smoke. Imagine that!

Fast forward to 2016. After searching for a contact for the local Triumph club, I ended up with Glenn Larson's name. Glenn invited to a tech session at his garage and I have been hooked ever since. Along the way, I have met some amazing people, learned a lot about how to work on my cars and when in over my head, called Gary or Mike.

So here we are in 2023 and it's shaping up to be a great year for RTR. We have a newly elected board with an ambitious agenda. With Covid in the rear view mirror, it's finally time to get back to doing the Triumph stuff we all enjoy. We hope to be able to provide you with an abundance of activities and events that will appeal to all RTR club members. We will have some new stuff, some old stuff and some different stuff. We will have a new, more modern website that will be more user friendly and more informative. We hope to have items from the past as well as what's taking place in the present. I think everyone will be pleased with our new website once we get it up and running. We have set the bar pretty high this year and I hope you will all come along for the ride with us!

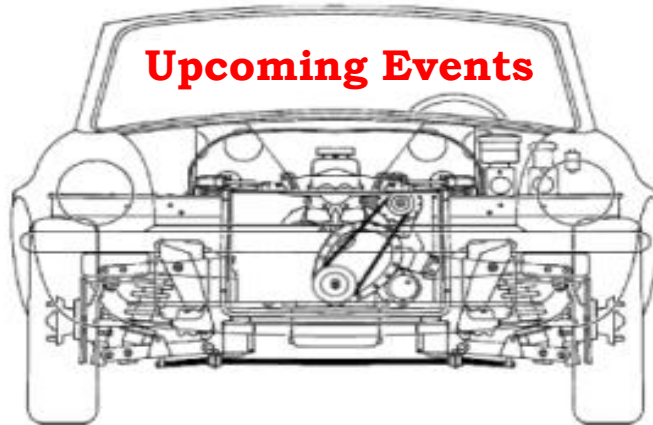

Cheers, Tim

RTR Annual Meeting Sunday, February 5th

More than 35 Richmond Triumph Register members gathered on February 5th at the Walton Park clubhouse for RTR's 2023 Annual Meeting. Gary Kinney, RTR Nominations Committee Chair, welcomed newly elected/appointed officers (see list on page 11 of this issue). Outgoing President Bruce Vaden presented RTR's presidential gavel to 2023 President Tim Thacker. Gary also presented Bruce with an engraved RTR compass. A big thank you, once again, to Jim and Nancy Scherer for coordinating this event and providing the delicious main course.

Postcard Corner

By Charlie Edmonson

If you think back a few years...actually about 50 years or so now, you might remember catalogues like J. C. Whitney, Rally international, MG Mitten, HAAN and AMCO luggage racks. There were also Canell luggage racks, and I just acquired a postcard with this rack on a beautiful red TR4. My second recently acquired card was a 3.5X8.5 card of the Americana Motor Hotel in Flagstaff, AZ. But what is important about this card is the parking lot where there is a TR3 with a trailer attached. To make it even better, I only paid \$1 for this card.

International Drive Your Triumph Day 2023

By Mike Roe

Rye Livingston is with the Triumph Travelers Sports Car Club in Northern California, arguably the longest active Triumph Club in the world, having been founded in 1958. In 2016, he encouraged members of the club to drive their Triumphs on February 10th to celebrate Sir John Black's Birthday. Sir John Black is the man who organized Standard's purchase of Triumph after WW II and went on to make the cars we enjoy driving today. Drive Your Triumph Day has gained momentum every year, and last year Rye received over six hundred photos from all over the world: Scotland, Ireland, the UK, New Zealand, Australia, South Africa, Uruguay, Netherlands, Switzerland, Finland, Canada, Holland, Czech Republic, and of course all over the USA.

The concept is straightforward: On February 10th, go for a drive in your Triumph. Take a scenic drive on a country road or out to lunch, to the market, to work, wherever. Go for a drive alone or in a group with your local Triumph Club; then take a photo. The photo is mainly of the car and the owner or passenger, if possible, ideally in front of a cool spot, landmark, scenic view or in your driveway.

Glenn Larson took the lead once again to organize a drive for RTR on Friday, February 10. Once again, the starting point was at the River Road Shopping Center, where River Road and Huguenot meet. Glenn planned a route that would take the group on

Riverside Drive to enjoy the beautiful scenery of the James River, then to the Carillon for a group photo shoot, and then on to the Larson home for lunch and a tech session.

The weather was fabulous for a drive, especially one in February, with bright sunshine and temperatures in the lower 60's. Fourteen Triumphs were represented, an increase over 2022. About two dozen

members and their guests participated on the drive, which started on Huguenot and went across the James River, then to Riverside Drive along the James past Pony Pasture Rapids and up to Forest Hill Avenue, then, once across the Powhite, back on Riverside Drive through Westover Hills to the Nickel Bridge, which brought the group back across the James to the

Carillon. At the Carillon, Glenn directed the group to the Dogwood Dell parking area for a group photo

with the Virginia War Memorial Carillon in the background.

After the group photo, we proceeded to Glenn and Sue's home on W. Franklin Street, where Sue had laid out a sumptuous lunch spread consisting of barbecue and all the fixings, sides, drinks and cookies. Many folks had to take advantage of the ample shade in the Larson's back yard because of the abundant sunshine and very moderate temperatures. After enjoying lunch and conversation, many of the group stayed over to have a tech session covering the progress Glenn has made with his Stag;

the engine is back from the machine shop and Glenn has made great progress in getting the heads assembled and

has started assembly of the crank bearings, pistons and connecting rods, and timing gear. Hopefully he'll be hosting another tech session in a couple of months for the initial start-up. Janet and I thoroughly enjoyed the chance to get a couple of our Triumphs out for a bit of exercise on a gorgeous day and enjoy the company of other enthusiasts. Thanks to Glenn and Sue for hosting a most enjoyable drive, lunch, and discussion on a beautiful February Fri-

The recent online auction of [The Householder Collection of Doretis and Triumphs](#) showed strong sales for the unusual and collectable. This very rare 1955 Triumph Francorchamps by Imperia sold for \$33,000, and this modified 1959 Triumph TR3 "Pickup Truck" sold for \$4,000. Though I was only slightly tempted, I didn't bid on the "soon to be one with the earth" Triumph Stag that went for \$150. Mr. Householder was quite a collector. Check out the link. A lot of cool Triumph and Doretta cars, parts and memorabilia that went for cheap!

TR7 V8 Project – Paint! By Mike Roe

It's now the second week of February and the TR7 has been with Venturi for about 5 weeks. I got a call from Jason recently asking me to stop by and see the progress. Doors, bonnet, boot lid, and headlamp buckets are done. Jason is going over the body a couple more times to make sure everything is ready before shooting color. Turns out the Brooklands formulation has a TON of pigment, which tends to rapidly settle out of suspension. Fortunately, Jason discovered this early and was able to compensate and has managed to get a pretty decent finish. He should be ready to release the car to me the last week of February or perhaps the first week of March. Can't wait to see the body in color!

Talking About Paint...

RTR member Ken Nachman's recent body shop visit to repair a blemish to his TR5's paint revealed a coat of many past colors.

This shot from the internet shows a Spitfire's bad encounter with a hail storm. Ouch!
